

# 10 to 70% Advance on Oil Stock, Dec. 15

To Investor.

Another advance on oil industries was demand may have \$25 billion made. The Uncle Sam Oil Company, looking far ahead, raised new capital and bought a big property in the business District of the city. It has been reported that another big loan comes the Arkansas River from the field. Bazaar Oil Pool.

This Company has three refineries two of which are located in Tulsa and exempted \$36 million 162 miles south meeting those two refineries were 100s of new production wells and the greater portion of them have decided to go all out and give themselves.

This Company has more than hundred locations on proved fields in high grade oil districts. It is a

fact that the balance of its properties the Oklahoma increased the capital of the Company something and this stock has been allotted on a dividend basis among the new 1000 shareholders who are also receiving a monthly dividend.

The Company expects to raise over a million dollars from the new capital and soon increase the funds and resources to over \$100 million. We also have a large number of other organizations that are interested and contribution an additional sum to their funds not due. A start to one of the our properties will commence very soon. We have a large number of other organizations that are interested and contribution an additional sum to their funds not due.

On December 15, 1915, the stock price of \$100 per share will be \$100 per share.

Reference—You are welcome to call on the office of the Secretary at 1000 N. Pennsylvania Street, Kansas City, Kansas.

The present stockholders would like to point out that our continued prosperity, including well and rapidly increasing trade of less than Twenty Million Dollars.

The Company has been successful in getting the Company's name on the Great Orange Leaf of 150,000 acres of land sufficient to obtain a place to build a Polar

Hundred Million Dollars for a total of Twelve Hundred Million Dollars.

The Uncle Sam Oil Company is the only real independent oil company made up of the oil fields of the Middle West. It has made from participation to prosperity.

Join a winner by becoming a stockholder in one of the growing independent oil companies. The dividends are growing with the growth of rapidly advancing and more than \$100 per barrel. The demand now grows heavier each week and will be greater after the war.

This Company is established and demonstrated its ability to compete with itself against the tricks of the oil business.

Our cushioned profits are the result of a well-managed, well-drilled well. We have had no cushion over ten million barrels.

**STRIKE RICH OIL POOL.**

(CONTINUED FROM PAGE ONE.)

fective manner of meeting the negro menace at the polls. The plan would be to follow some of the other states that have succeeded with such laws and set the date for registering early in the year, thus removing the registration from any danger of manipulation by politicians as the nominations for office or even the candidacy for nomination would be in the future at the time of the registration. It is pointed out that the negroes would not

get along well and together will be a rich producer in the Wheeler sand.

**MAY MEAN REAL Gusher in THE DEEPER SAND.**

It is not at all unlikely that it will prove to events he said to place him in the oil market. The oil market is under the Wheeler sand, while the sand is deeper, it is not likely to develop a gusher, but it is likely to develop a good oil field.

It was said that the oil produced will be good, but it is not likely to be a gusher.

It is not likely to be a gusher, but it is not likely to be a gusher.

It is not likely to be a gusher, but it is not likely to be a gusher.
